9.02 The tenderer should furnish the proof in the form of transit insurance Tag, policy document and transit voucher that the animals are brought from the particular breeding tract as per the tender document.

9.03 The tenderer shall furnish certificate by a qualified Veterinarian for transportation of animals.

9.04 The tenderer should follow the transportation rules while transporting the animals as per the Central Motor Vehicles (Eleventh Amendment rules 2015) vide Gazette of India dated July 8th 2015.

9.05 The supplied milch animals should be in **2nd** or **3rd lactation** and the age of the animal should not be more than 5 - 5½ years in case of buffaloes and 4 – 5 years in case of Gir and cross bred cows.

9.06 Selected milch animals will be later subjected for milk yield capacity. Each animal will be subjected for three uninterrupted milking to arrive at the average milk yield.

- Step- I : Day : 1, Evening - Emptying of udder
- Step-II : Day: 2, Morning - 1st milking
- Step-III : Day : 2, Evening - 2nd milking
- Step-IV : Day : 3, Morning - 3rd milking
- The milking in between two milking should be at least ' 10-12 hrs gap

The average of 1st, 2nd and 3rd milking X 2 will be the day's milk production of a particular milch animal

Oxytocin hormone should not be used for milking of milch animals

9.04 The Murrah buffaloe heifers shall be weighing not less than 250 kgs in the age group of 30 - 36 months. The crossbreed cow heifers shall be weighing not less than 200 kgs in the age group of 14 – 16 months.

9.05 The Murrah buffaloe calves shall be in the age group of 12-18 months. The crossbreed calves shall be in the age group of 8-12 months.

9.06 At the time of delivery of heifers at beneficiaries, they shall be free from any deformities.(fractures, Hip dislocations, broken horn & eye cancer etc.,)

9.07 All the animals should confirm to the breed specifications and supplied in good health with all disease preventive inoculations.

9.08 The milch animals should possess good dairy characters with wide udder with four evenly placed teats, free from any defects/diseases

9.09 The animals should invariably be vaccinated against HS, BQ, F&M diseases. Crossbred animals shall be vaccinated to prevent theilaria disease. A Certificate issued by Veterinarian should be furnished along with consignment.

10.0 Selection of Animals:

10.1 The approved Tenderer shall arrange to display the animals at display centers from the Source of supply to enable the farmers to select their choice animals.

10.2 The beneficiary or beneficiaries representative along with the selection committee consisting of representative from financing organization,Veterinarian will select the animal for purchase after checking age, health, dairy characters. The tenderer or his authorized representative will facilitate this process without questioning the beneficiary's choice in any manner, whatsoever.

10.3 The heifers will be selected based on the breed, age, health and dairycharacters.

10.4 All animals shall be invariably procured from the states other than Andhra Pradesh.

11.0 Quoting of Rates:

11.1 In case of milch animals, the bidder shall quote price per litre milk production for the milch cattle.

11.2 The tenderer has to quote the rates for supply of animals along with transportation cost up to display centers indicated. The tenderer shall quote to supply at least 500 animals under each category.

12.0 **Supply of Pregnant animals:**

12.1 The supplies should be 5^{th} -6^{th} month pregnancy in case of cows and 6- 7^{th} month pregnancy in case of buffaloes

12.2 The minimum assured milk yield of pregnant animals immediately after one week of calving shall be as mentioned below:

Murrah	- minimum 08 liters & above
Graded Murrah	- minimum 06 liters & above
Gir, CB Jersey & CB H.F.	–minimum 08 liters & above

If the milk yield is lower than the quantity assured, proportionate deduction will be made. However the supplier will have option to replace the milch animal.

As per the beneficiaries choice, the tenderers have to supply different categories of animals

12.3

12.4 The supplies should be 5-6 months pregnancy in case pregnant animals.

12.4 The bids for supply of animals will be finalized based on the price per animal together with transportation cost up to display center and maintenance cost per animal per day will be finalized / considered separately for a period not exceeding 10 days at display center.

13.0 Establishment of Display Centers & Specific Responsibilities of the Tenderer:

13.1 Display centers shall be established at strategic locations as mentioned in Annexure-A.

13.2 It is the responsibility of tenderer to procure and arrange for display of animals at display center. The tenderer will ensure all safety measures, health protection, feeding, watering of animals at his own cost.

13.3 The Department will provide veterinary care to the animals by deploying a qualified veterinarian.

13.4 The Department will also supply Conc.feed/ silage / TMR fodder / Mineral Mixture on cost to cost basis to the approved tenderers to maintain the animals positioned at display center.

13.5 The tenderer shall quote the basic cost of the animals together with the transportation cost up to display center and maintenance cost per day per animal separately which will be allowed for a period not exceeding 10 days at display center.

13.6 It is the responsibility of the tenderer for safe loading of pregnant animals into the trucks and transportation of the selected animals up to the beneficiary village for which the transportation charges will be paid as per the rates already finalized.

13.7 Each animal shall have proper identification, which should be clearly indicated in the waybills and Health & Valuation certificate issued by Veterinarian.

13.8 Utmost care should be taken for transportation of animals and tenderer should adhere to the rules and regulations of animal transportation rules.

14.0 Replacement of Animals :

14.1 In the event of Abortion / Dystocia / Prolapse . Mummified foetus / Threatened abortions and on account of which the animal dies before calving, the supplier has to replace the animal.

15.0 Penalty Clauses :

15.1 If it is found at any time that the animals procured from within the state and shown as procured from outside the state, it will be construed as breach of Tender Terms & Conditions and such tenderer will be black listed besides forfeiting the EMD & SD in addition to the cancellation of contract.

15.2 The tenderer will be penalized by forfeiting of deposit for violating the terms and conditions prescribed and if failed to supply the animals in agreed quantity within the prescribed time until & unless there is any valid reasons like Strikes of lorries/ employees etc.,

15.3 The tenderer should not have been black listed earlier by any of the Government department / agency for violating terms & conditions of supply. To their effect, the tenderer shall furnish an affidavit on a non-judicial stamp paper. The firm black listed by any Government agency is not eligible for consideration.

16.0 **The following documents are to be scanned and uploaded in the e-Procurement platform**

1. Scanned copy of EMD - Rs.1.00 Lakh for Heifers and Pregnant Heifers
2. Income tax payment particulars for 2013-14,2014-15 & 2015-16
3. Solvency Certificate for Rs.10.00 lakhs
4. Audited Turnover Certificate(Sl.No.6)
5. Annexure-I- Declaration Form
6. Annexure-II- Supply details of Animals during past 3 years (Govt.Firms)
7. Annexure-III- Declaration (In terms of G.O.Ms.No.352, AH.DD & F (AH-II) Dept., Dt: 22-11-2000).
8. Affidavit on a non-judicial stamp paper that the firm is not black listed by any Government agency

16.1 All supporting documents shall be scanned and uploaded at the time of submitting the bid in e-Procurement platform and should invariably be self attested by the tenderer.

16.2 The Bidder is requested to submit the uploaded hardcopies i.e. Documents with original EMD and a tender document and corrigendum issued by the department by signing on the bottom of each page to the Director of Animal Husbandry, A.P., Vijayawada through courier or through any authorized person before the Technical Bid Opening date i.e., by 5:00 PM.

16.3 However, only uploaded documents in e-Procurement platform will be considered for the evaluation. All the enclosed documents shall be in English, Hindi or Telugu. If any, document is produced in any other language than above mentioned should submit true translation copies of such documents in English only duly attested by a Gazetted Officer.

16.4 After opening the Technical Bids, bidders will be short-listed based on fulfilling the essential requirements. The Technically qualified bids will only be considered for the opening of Financial/Price Bids.

16.5 Individual signing the Tender or other document connected with contract must specify his status in the supplying firm / agency. If he is an authorized signatory or agent, necessary authority like Power of Attorney of certified copy of Board Resolution etc., as the case may be should be enclosed to the Tender.

16.6 Submission of Tenders will not be accepted after the expiry of stipulated date and time under any circumstances, whatsoever.

17.0 Rights of Director of Animal Husbandry.

17.1 Director of Animal Husbandry reserves the right to accept or reject the tenders received and invite fresh tenders without assigning any reason there of.

17.2 Before signing the agreement with each tenderer, Director of Animal Husbandry will decide the number of animals to be procured from each tenderer based on the previous performance of tenderer.

17.2 Allotment of number of animals to be supplied by each successful bidder will be based on previous performance and supply capacity.

17.2 Director of Animal Husbandry reserves the right to increase / decrease the number of animals than the agreed quantity in the agreements and allot to other tenderers at the approved rates depending upon the performance.

17.3 The Director of Animal Husbandry is not bound to accept the lowest price bid. He can accept the bids duly considering animals supply related factors in addition to the price offer.

17.4 The Director of Animal Husbandry reserves the right to withdraw any item for which tenders called for without any notice, what so ever, without assigning any reasons. In the interest of beneficiaries / government and the Director of Animal Husbandry may even cancel the tenders, if the price offered is found to be abnormally high.

17.5 No upward revision of rates will be considered during any part of the contract period. But, the contract can be extended with the approved rates for further period as per requirement with

mutual consent.

17.6 The tenderer should indicate the rates in the tender schedule very clearly including the taxes, if any. The tenderer should indicate the rates on the Tender forms both in figures and in words, item-wise. In the event of any discrepancy, the rate quoted in words will be taken in to account.

17.7 A crossed Bank Demand Draft drawn from any Scheduled Bank, favouring "Director, Animal Husbandry Department, AP, Vijayawada" payable at Vijayawada, should be deposited towards Earnest Money Deposit (EMD) along with Tender. The EMD will be refunded to the unsuccessful bidder(s).

17.8 At the time of agreement for the tender, the Approved Tenderer has to pay 2% on the value of indent planned by the department to a max ceiling of 5.00 lakhs as Security Deposit in the form of Fixed /Term deposit from any Nationalized bank pledged in favour of the Director of Animal Husbandry, A.P., Vijayawada. It is also permitted to provide security deposit in the form of Bank Guarantee issued by any Nationalized banks for the agreement period**.**

17.9 Incomplete tender bids and those not containing necessary enclosures will be summarily rejected. Neither Directorate of Animal Husbandry nor the service provider is responsible for the non-submission of the bids due to net connectivity failure or any other problems.

18.0 Supply / Payment terms:

18.1 The District Collector / Agencies / Corporations/ Departmental officers or their authorized officers in each district will indent for supply of animals.

18.2 Supplies shall ordinarily be made within a period of 15 days from the date of indenting.

18.3 Supplies should be completed as per the accepted supply schedule depending upon the beneficiaries' choice, district wise requisition, season etc.

18.4 75% of the cost of milch animal will be paid as an advance after confirming the loading of animals at selection point and the remaining amount will be made within 7 days after delivery of animals to the beneficiaries in their village duly verifying the milk yield/ receipt of animals etc. In case of any discrepancy is noticed, proportionate penalty /reductions will be imposed on the payments to be made.

18.5 90% cost of the heifer and calves will be paid as an advance after selection of animals by the farmers at Display Center and the remaining 10% amount will be made within 7 days after delivery of animals to the beneficiaries. In case of any discrepancy is noticed, proportionate penalty /reductions will be imposed on the payments to be made.

18.6 95% of the cost of pregnant heifer will be paid as an advance after selection by the farmer_and the remaining amount (5%) will be paid after calving. In case of any discrepancy, proportionate penalty /reductions will be imposed on the payments to be made.

18.7 Every successful tenderer on intimation by Director of Animal Husbandry, shall execute an Agreement Bond on Rs.100/- (Rupees One Hundred only) non- judiciary stamp paper in the prescribed form on supply terms & conditions.

18.8 In the event of failure to execute Agreement Bond in proper form along with Security Deposit by the successful tenderer within **10 DAYS,** the earnest Money Deposit of such tenderer will be forfeited.

19.0 Arbitration clause:

19.1 Any dispute that arises while implementing any of the clauses of these terms and conditions will be referred for arbitration. The arbitration proceedings will be as per the arbitration & reconciliation act 1996. The arbitration proceedings / meetings will be held at Vijayawada only.
